## Hi, glad to meet you!

We are **Points of You**®, a leading company in the field of training for personal and business development.

We create games that inspire us to look inside ourselves in a fun, unique and powerful way, discover insights and make a real impact in our lives.

The games are designed for use by professionals, organizations and individuals.

## Just play...

Our games are easy to use.  
Just open them and play, anywhere, in any situation.  
They are easily integrated as a professional working tool -  
The process is fun, creative, thought provoking, deep and effective.

But with time you'll discover that this is only the beginning,  
you are just scratching the surface,  
there's so much more behind all this.

**Are you ready to take it to the next level?**

## Taking it to the next level

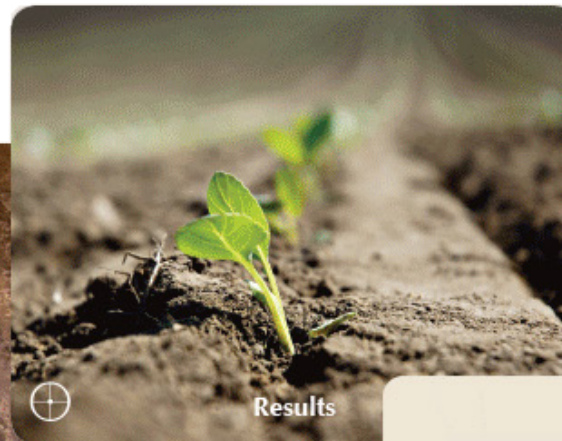

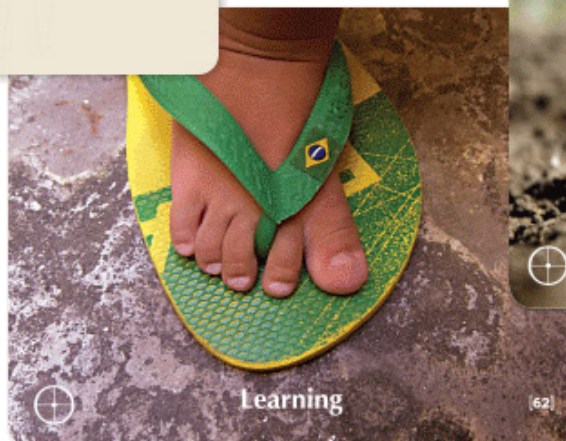

The **Points of You**® Trainer Certification Program was created for our professional community around the globe who felt a need for deeper knowledge.

This 5-day experiential program offers a wealth of theoretical and practical methods to implement the **Points of You**® games with your existing tool kit and expertise.

The program is facilitated in English. Simultaneous interpretation will be available in some locations.

What moves me forward?

Everything is possible
